PROFESSIONAL SUMMARY

- B.Tech Computer Science undergraduate with hands-on experience in web development using **HTML, CSS, JavaScript, React, Node.js, Express.js**, and **MySQL**. Built responsive and interactive web applications with **user authentication, admin dashboards, database integration**, and **e-commerce functionality**. Seeking a Software Engineer or Frontend Developer role to apply programming, web development, and problem-solving skills to real-world projects.

EDUCATION

Bachelor of Technology (B.Tech.) in Computer Science & Engineering 2024 – Present
R D Engineering College (Affiliated to AKTU) Duhai

Advanced Diploma in Computer Application 2022 – 2023
Star Computer Center Modinagar

PROJECTS

Personal Portfolio website (HTML, CSS, JavaScript, Node.js, Express.js, MySQL)

- Developed a **responsive personal portfolio website** to showcase skills, projects, education, certification|, and resume.
- Implemented **user registration and login authentication** using **Node.js, Express.js, MySQL**, and **bcrypt** password hashing.
- Developed a **contact form** with the **MySQL database integration** to stores user messages.
- Built an **Admin Dashboard** to manage registered users and view contact messages.
- Integrated **certificate viewing, resume download, logout functionality**, and **database connectivity** into the portfolio.

E-Commerce Web Application (HTML, CSS, JavaScript, Node.js, Express.js, MySQL)

- Developed a **full-stack e-commerce web application** for browsing and purchasing products.
- Implemented **user registration, login authentication**, and **JWT-based authorization**.
- Built **shopping cart** and **checkout functionality** with product quantity and order management.
- Implemented an **Admin Dashboard** to add, update, and delete products and manage inventory.

Task Management Application (HTML, CSS, JavaScript, Node.js, Express.js, MySQL)

- Developed a full-stack task management application with user authentication.
- Implemented task creation, updating, deletion, and status management.
- Built REST APIs using Node.js and Express.js with MySQL database integration.
- Tested API functionality and authentication using Thunder Client.

TECHNICAL SKILLS

- Programming Languages** — C, Python, Java, C++ (Basic).
- Web Technologies** — HTML, CSS, JavaScript.
- Backend** — Node.js, Express.js
- Database** — MySQL
- Authentication** — JWT, bcrypt
- Core CS** — Data Structures & Algorithms, OOPs, Problem Solving.
- Tools & Technologies** — Git, GitHub, VS Code.

INTERNSHIP

Full Stack Development Intern 08/2026 – 09/2026
Thiranex India

- Completed a **Full Stack Development** internship with practical experience in **HTML, CSS, JavaScript, Node.js, Express.js, MySQL**, **database integration, authentication, REST APIs**, and **Git/GitHub**.

CERTIFICATIONS

- Java Programming for Beginners** — Simplilearn
- Introduction to SQL** — Simplilearn
- Programming with Python 3.X** — Simplilearn
- Node.js with AI** — Unstop.
- Introduction to Modern AI** — Cisco Networking Academy.

EXTRA-CURRICULAR ACTIVITIES

- Participated in academic and coding activities involving web development and programming.
- Practiced problem-solving and programming concepts through regular coding practice.
